The Package

Your backyard can look this good too! **The Safety Cover** is custom made to fit your pool and replaces the black winter cover. Call for an estimate today.

CLOSING/OPENING & POOL HEATER SERVICE – BOOK NOW, SAVE \$99!

Take advantage of our **Close/Open** or **Works Package**, you'll receive a **\$75 coupon** for any Dazzle pool or spa chemicals. The **Package** also guarantees your chosen week for 2011 spring opening (weather permitting).

Take advantage of pre-booking your heater service and save \$24, plus receive priority scheduling in

the spring. Not only will the pilot be lit but more importantly an overall check and cleaning of burners and electrical components will be completed to ensure heater is operating safely and efficiently.

PREPARING FOR POOL CLOSING: THE TOP 5 THINGS TO REMEMBER

1. Have your water tested 1-2 weeks prior to closing.
2. Maintain sanitizer readings until pool closing – it's easy to forget about your sanitizer (bromine/chlorine) when not using your pool regularly.
3. Keep bottom of pool free of debris with regular vacuums.
4. Monitor skimmer and pump baskets. With so many leaves falling, baskets will fill quickly. Protect your equipment by emptying baskets on a regular basis.
5. Don't be disappointed with filled up weeks. Book your pool Closing/Opening Package early and get your preferred date.
